

# *The Art of Seeing...and Beyond!*

Spend a day with Artist, Master Photographic Craftsman **Paul Wingler** as he talks about what he looks for in a subject, in the lighting and how he sets up the composition...to give his images all the elements necessary to be a **Paul Wingler** work of art. You will observe how Paul approaches his work but you will also have an opportunity to look through his camera and see his composition and to understand the various settings he uses and why. You will also have an opportunity to photograph subjects under his tutelage experiencing his guidance that will help you see your subjects in a different light.

**Class will meet on SATURDAY, OCTOBER 22, 2011** at the **Treyburn Country Club, 1 Old Trail Dr., Durham, NC 27712**, promptly at **8:00AM** and will end at **5PM**. Each student should have a digital camera (preferably a digital slr) and a computer with **Adobe Photoshop, Topaz Adjust 4 and Topaz Simplify 3**. (You can download a trial version of the Topaz Software-recommend you download them at least 2 days prior to the class.). Lunch is included in the price of the workshop.

**The course** will cover lighting, composition, seeing an image within an image and cropping for impact. You will also receive guidance and critiquing of your photography throughout the day.
